

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The fact that the number of methods for distributing news has increased does not necessarily mean that the variety and depth of coverage has increased as well. PLEASE!!! These airwaves are owned by and are responsible to the citizens of this great country. For the sake of our need and desire to be properly informed, strengthen, do not weaken the laws that will give us the opportunity to hear from more voices in more ways. Thank you.
